SECOND EDITION ILLUMINATI GAME

In 2018, Steve Jackson Games came out with the Second Edition of the regular Illuminati Card Game. It contained 8 Illuminati cards, 87 Group cards, 17 Special cards, and 1 Blank card. The art work on the cards had thoroughly changes and was a bit more cartoonish in its appearance. There are sixteen new Groups, although 5 of them are merely renamed former Groups. The Government and Communist alignments were eliminated from the game.
